

This outstanding 12-year young, center hall Colonial in pristine condition is situated on 3.7 acres of private woodland and meticulously landscaped gardens. The abundance of mature trees produces a rainbow of color each autumn and privacy year round. Upon entering the foyer, you are immediately introduced to the incredible, detailed millwork, wainscoting, door pediments, crown moldings and gleaming hardwood floors throughout this spectacular home. The living room is warmed by light from the French doors, fanlight arched windows and marble mantle gas fireplace. The elegant formal dining room features a tray ceiling, medallion and chandelier, classic wainscoting, bay window and custom wallpaper with matching drapery. The 2-story great room with vaulted ceiling, graceful fanlight, arched windows and marble gas fireplace is adjacent to the kitchen and breakfast area.

Appointed with cherry wood cabinetry, granite counters, designer tile backsplash, island counter and top-of-the-line stainless steel appliances and hardwood floors, the gourmet kitchen will delight any chef! The sun-drenched breakfast room opens through sliding glass doors to the deck overlooking the landscaped gardens with stone walls, patio and hot tub, and the endless privacy of a nature preserve behind the property. A study or 5th bedroom, full bath, powder room, mudroom and laundry facility complete the main level.
